8th Annual Modern Art Gala

Willow Oak Center for Arts & Learning presents the 8th Annual Spring Gala on April 5th, 2025. Guests will enjoy an elegant four-course meal, wines and craft beer, a silent and live auction, music and dance performances, and dancing to live music.

The evening is spent celebrating the impact Willow Oak has on our community, Middle Tennessee, and Southern Kentucky.

Money raised from this year's 2025 Modern Art Gala will be used to offer free arts classes & programs in 2025. By raising funds for free programming, we are given the opportunity to make the arts more accessible than ever to our community.

Willow Oak serves approximately 14,000 children, youth and adults each year in our onsite and community outreach programs. The Annual Spring Gala, Willow Oak's largest fundraiser, raises important funds to benefit our programs in the arts and humanities, **making the arts accessible to all people. These funds underwrite instructor and music directors' pay, art supplies and music, facility costs, and more.**

Funds are also raised to benefit our scholarship program. Scholarships are awarded to any child or adult requesting financial assistance.

Willow Oak has grown each year since it was formed in 2007. In July 2025, Willow Oak Center for Arts & Learning will celebrate it's 18th year of providing arts and humanities experiences to our community.
